

ABC Western Pennsylvania Members Earn National Excellence in Construction Award

Pittsburgh, Pennsylvania, September 7th—ABC Western Pennsylvania is thrilled to announced that five member companies won Excellence in Construction® awards, that will be presented during the ABC Western Pennsylvania Excellence in Construction Awards Banquet at the National Aviary in Pittsburgh, PA, on September 7th.

The EIC awards are the construction industry’s leading national competition that honors general and specialty contractors for world-class, safe and innovative construction projects from across the nation.

“These exemplary projects are the pinnacle of quality, safety and innovation in our industry, showcasing the incredible structures and teams that build the best of the best in merit shop construction,” said Western Pennsylvania Chapter President, Justin Erdner.

The EIC awards honor every member of the construction team, including the contractor, owner, architect and engineer. The winning projects are judged on complexity, attractiveness, unique challenges overcome, completion time, workmanship, innovation and safety.

Chapter Excellence in Construction Eagle Award Winners

- Merit Electrical Group, Inc. for the Seneca Valley School District New K-4 / 5-6 Elementary School, Electrical: Commercial
- Martik Brothers Incorporated for the Synergy Media Group project, Renovation

Chapter Excellence in Construction Merit Award Winners
